

# Instructions Page

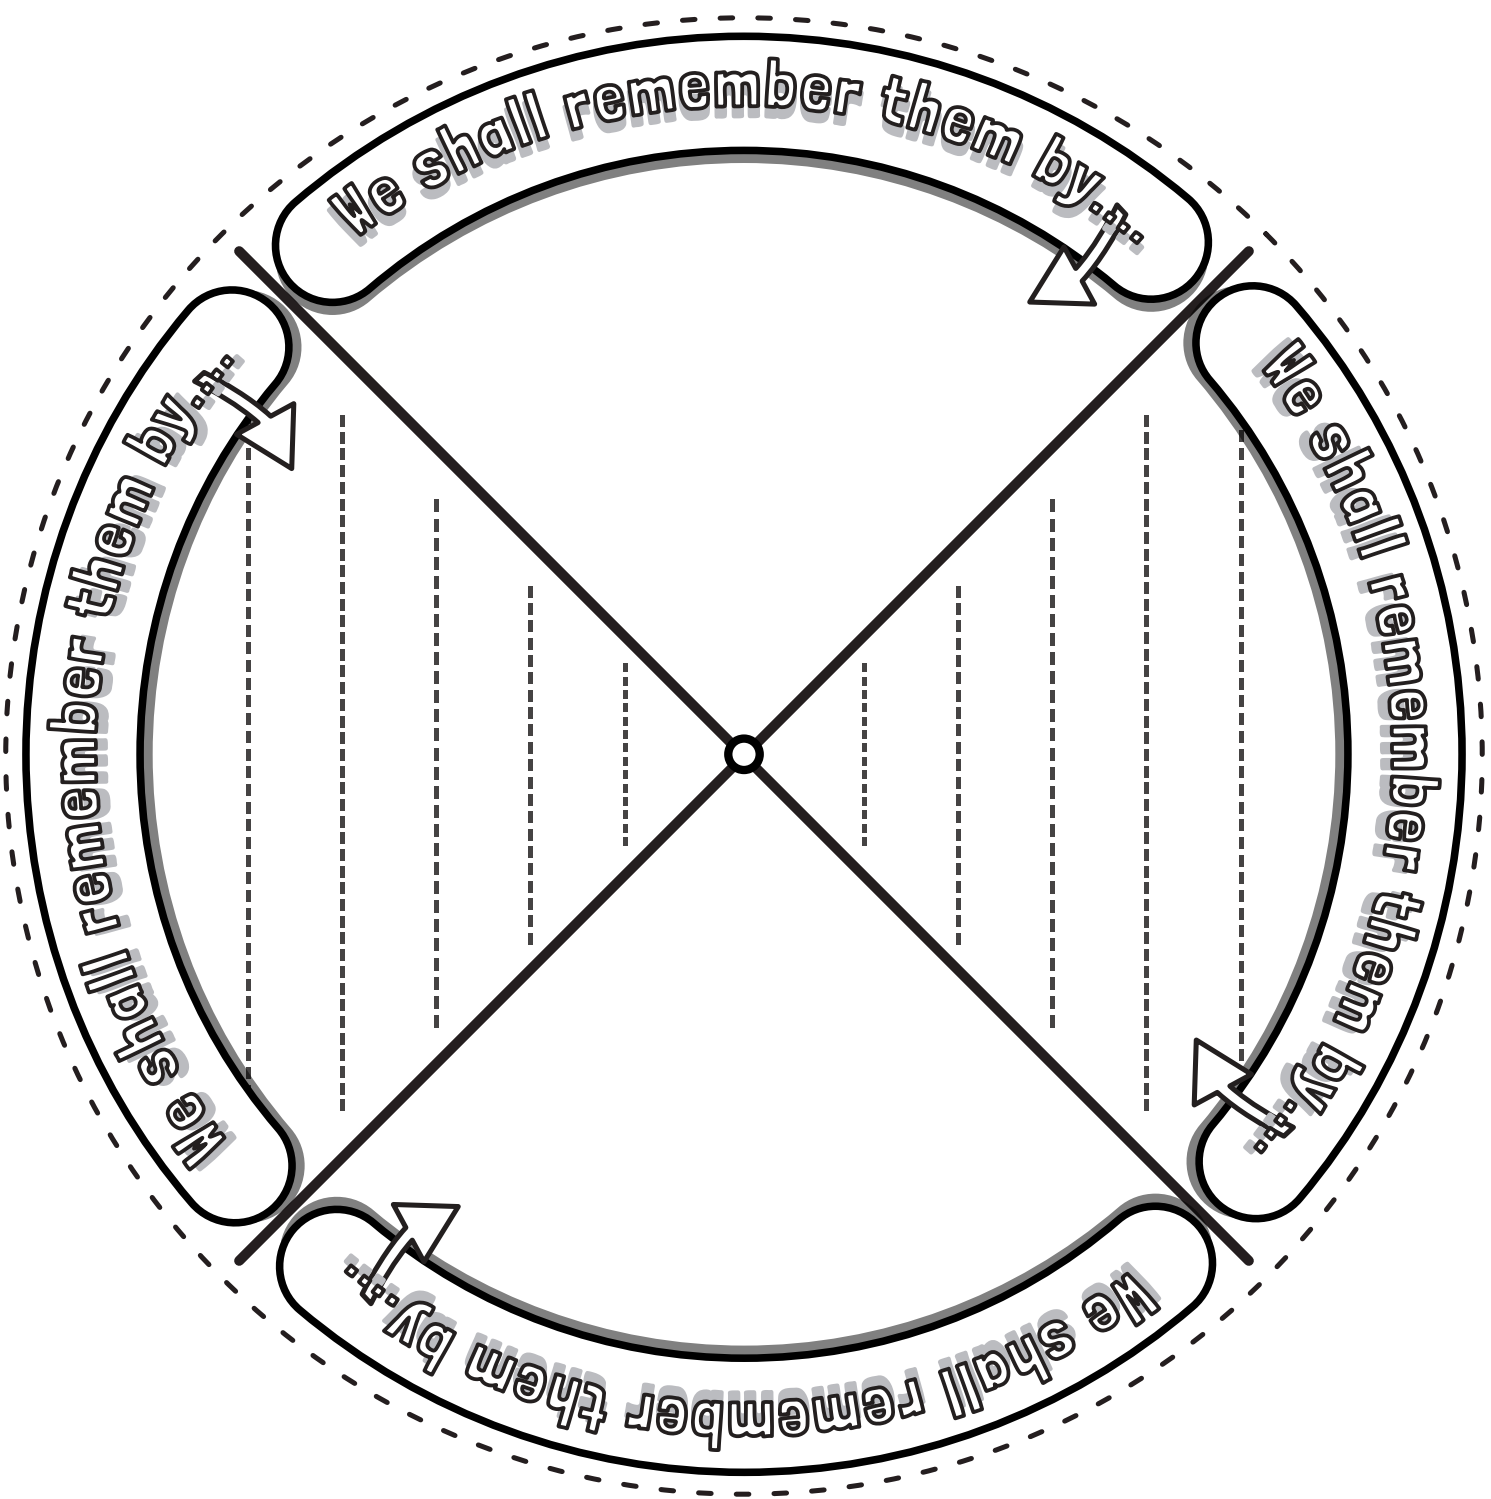

Can be made with or without paper plates!

- 1 Write about yourself and colour in all of the sheets.
- 2 Cut around all of the dotted lines on each sheet.
- 3 When all cut out, attach Plate 1 to a plate. Then attach Plate 2 to another plate.
- 4 Cut out the quarter that is missing from Plate 2 from the plate that it's just been stuck on.
- 5 Use a 'Paper Fastener' or 'Drawing Pin and Blu Tack' and push them through the circle in the middle to attach both plates together.

**Now you have a wheel. Spin it around and reveal the things you will remember on Remembrance Day.**
