How to Share Your Basket on our website?

Topping up supplies for your school or nursery doesn't need to be time-consuming. Our Share Basket feature makes it easy for teachers and staff to collaborate on orders - even if they don't have an account. Here's how to do it in just a few clicks:

1. How it works

Click on the "Basket" icon on the homepage to get started.

The screenshot displays the HOPE website homepage. At the top, there are navigation links for "Fast, free delivery on all orders over £40 (exc VAT)", "NEW Flexible Leasing Now Available. Find out more.", and "Help & Advice". The main navigation bar includes "HOPE is all you need" and categories: "Early Years", "Primary", and "Secondary". A search bar is present with the text "Search for a product". User account information for "Helen" and a shopping basket icon with a "2" notification are also visible. Below the navigation, there are sub-categories: "Early Years", "Curricular", "Art & Design", "Stationery & Office", "Furniture", "Exercise Books", "Sport", "Science", "SEND", "Facilities", "IT & Hardware", and "Clearance".

The main content area features "Top categories you'll love" with icons for "Art & Design", "Stationery & Office", "Exercise Books", "Curricular", "Furniture", and "Facilities". Below this is "Ranges you'll love" with three promotional banners:

- Seasonal crafting:** "From only 10p", "Shop the range".
- Buy more, save more:** "Great deals!", "Shop the range".
- Bespoke Sensory Rooms:** "New!", "Find out more".

At the bottom, there is a "NEW IRIS" logo and a banner that reads "Simplify Your Ordering with SMART Connect".

2. Review Your Basket

You'll be taken to your current basket. Make sure everything you want to share is listed and click on "Share Now".
