

Summer water play

You will need:

- water
- colouring
- petals and nature

Turn water summer coloured by adding a few drops of food colouring.

Sprinkle in petals and nature.

Explore mixing, stirring, scooping and pouring.

Summer ice painting

You will need:

- ice
- paints
- paintbrushes
- containers

Freeze water in containers.
Add a splash of colouring for
coloured blocks.

Paint onto the ice blocks.

What will you paint?

Seashell necklaces

You will need:

- clay
- string
- shells
- clay tools
- rolling pin

Flatten a ball of clay with a rolling pin (not too thin!).

Cut out a circle shape and press shells in gently. Peel the shells away.

Make a hole at the top. Thread string through the hole once dry.
