

Christmas Story Creation

1. Get into pairs or small groups and grab some dice
2. Roll the dice three times. The first roll decides the setting, the second roll the characters, and the third roll the scenario.
3. Describe your characters and setting, then bring it all together and write your Christmas story!

	1st Roll: The Setting	2nd Roll: The Characters	3rd Roll: The Scenario
	Santa's workshop	A talking reindeer	It's the night before Christmas
	The North Pole	Two cheery snowmen	The characters are lost
	Under the Christmas tree	Three little elves	Forgot to buy any Christmas presents
	By the frozen lake	An excited girl	Stumbled across a mysterious present
	At the top of the chimney	Santa Claus	Knocked down a Christmas tree
	In a snowy forest	A clumsy polar bear	Wandering through a festive town

Christmas Story Creation

The structure of your story:

Describe the main character:

Describe the setting:

Describe a character they meet:

Describe what they get up to:

Christmas Story Creation

The title of your story:

Handwriting practice lines consisting of a solid top line, a dotted midline, and a solid bottom line, repeated 15 times for writing the story.
